We are happy to present the 1959-60 PANTHER. This book is a priceless keepsake that cannot be replaced. As you go through it's pages, we hope it will recall many treasured memories of W. H. S.

We wish to extend our appreciation to all those who have worked so hard in compiling this book.

THE STAFF

PRINCIPAL'S MESSAGE

You, the seniors of Whaleyville High School, are about to become graduates of this school and having progressed through twelve years of formal school, no doubt have realized that there is no easy road to knowledge. There is an interesting road; there is a satisfying road; there is a road which leads to ultimate accomplishment of aims, but no easy road.

In this era of rapid scientific development, our country needs alert and devoted boys and girls who are willing to work hard and ardously to gain enough knowledge to make a worthy contribution toward a better era in which to live. I have confidence in you and believe that you can make your bit count.

We, the Annual Staff of 1960, are proud to dedicate this, the 1960 Panther, to our agriculture teacher and president of the Nansemond County Education Association, Mr. C. T. Davis.

He is a person who is always willing to help and advise anyone. Whaleysville is proud to have such a fine person on its faculty.
